

Mallory Privett Inducted into Hall of Fame

H. Mallory Privett Jr. was inducted into the Florida State Golf Association's Hall of Fame during their Annual Dinner held at the **Country Club of Orlando**, in Orlando on November 19, 2010.

Mallory Privett, 2010 Hall of Fame

Born in 1936 and raised in Selma, Alabama, H. Mallory Privett Jr. graduated from the University of Alabama in 1958 with a Bachelor of Science Degree in Mechanical Engineering. He served three years in the U. S. Navy as an officer on the Destroyer, U.S.S. O'Hare. He was later employed by the Pratt & Whitney Division of United Technologies Corporation for thirty-three years, managing engineering development of jet engines and retiring in 1992.

Since retiring in 1992, Mallory has served as overall Volunteer Chairman for Twenty-One Professional Tour events plus hundreds of local events and freely given his time as a volunteer for numerous associations. That is certainly "meritorious service to golf by a volunteer".

Mallory joins the following individuals already inducted into the Florida Golf Hall of Fame: AC Ulmer, Jim Callender, Charlie Bedford, Carl Dann Jr., Bo Williams, Don Bisplinghoff, Bob Murphy, Gary Koch, Bob Rankin, Bill Baker, Cal Korf, Jack Veghte, Steve Melynk, Moot Thomas & Jim Yancey.

Joseph Proudfoot and Richard Young 2010 Volunteers of the Year

Joseph Proudfoot, of Fort Lauderdale, has been awarded the Volunteer-of-the-Year for Course Rating. Joey joined the course rating team which is responsible for Broward County in 2004, and he became a captain for the team in 2005. In 2007, Joey's section grew to include Miami-Dade County, and in 2008, he also took responsibility for all of the women's ratings in both counties. His most challenging ratings have been the five courses at the Doral Resort. Despite having numerous tee configuration changes, his team was able to finish all ratings on schedule. Joey also frequently works as a tournament volunteer for Mallory Privett and Ken Hagamann. Joey, originally from Trinidad & Tobago, worked for Exxon for 38 years before joining the FSGA.

Stephen Anderson wins 29th Mid-Amateur Championship

Stephen Anderson defeated Jon Veneziano in 19 holes to win the 29th Florida State Mid-Amateur Championship held at Timuquana Country Club in Jacksonville on October 7-10.

Stephen Anderson, of Hobe Sound, earned the 10th seed after posting a 72-74--146 in the stroke play qualifying to advance to match play. In the first round, Anderson defeated Will Peterson, of Orlando, 5 and 3. Anderson then defeated John Wegmann, of Southwest Ranches, 1 up in the Round of 16 and the number two seed Doug Snoop, from Apopka, 1 up in the quarters. Anderson then ousted Don Bell, from Port Orange, in the semifinals 3 and 2 to secure his spot in the finals versus Jon Veneziano.

The final match went back and forth many times as Veneziano was 1 up through the first four holes until Anderson birdied the 5th hole to square the match. Veneziano regained the lead after winning the seventh hole, but Anderson won the ninth to square the match heading into the back nine. Anderson then birdied the tenth to go 1 up, with Veneziano winning the eleventh hole to re-square the match. The two would go on to halve holes twelve through eighteen to force extra holes. Anderson would go on to par the nineteenth hole to defeat Veneziano for the Championship. This is Anderson's second title of the year after winning the Mid-Senior Four-Ball South Championship. “From Brandy to Sour Milk”

by Jack Pultorak, FSGA Director of Rules and Competitions

It's cold out, the wind is blowing, your hands are freezing and you need only two putt from twelve feet on the last hole for par to win the club Santa Clause Stroke Play Shoot-Out. Par is OK, but you'd rather go out in style with a birdie.

You've had this putt many times before and you've made it on several occasions. It's just outside the right edge and firm up the hill. You carefully replace the ball on the green and line up the trade mark to your intended target. You steady yourself in the wind; a couple of practice strokes finish your routine and you're ready to go.

The ball starts tracking right on line when suddenly a leaf blown by the gusting wind strikes and deflects your ball slightly left as you watch the ball catch the left edge and lip out. You wanted to finish it up right with a birdie but a par still yields a win.

You go ahead and tap in from a few inches for the par and head to the warmth of the grillroom to return your scorecard, gather up the Santa Clause Stroke Play Shoot-Out trophy and a few congratulatory comments. Maybe even a nip of brandy to warm your insides.

But wait, what really just happened?

Would you believe you just lost the tournament by Disqualification!

Let's take a closer look. Rule 19 addresses a ball in motion that is accidentally deflected or stopped. Here's what happened.

1. You made a stroke on the putting green, and
2. Your ball was deflected by a moving outside agency (a leaf that was being moved by the wind (Decision 18-1/6).
3. Rule 19-1b says that in these circumstances, the stroke is cancelled and the ball must be replaced and replayed.

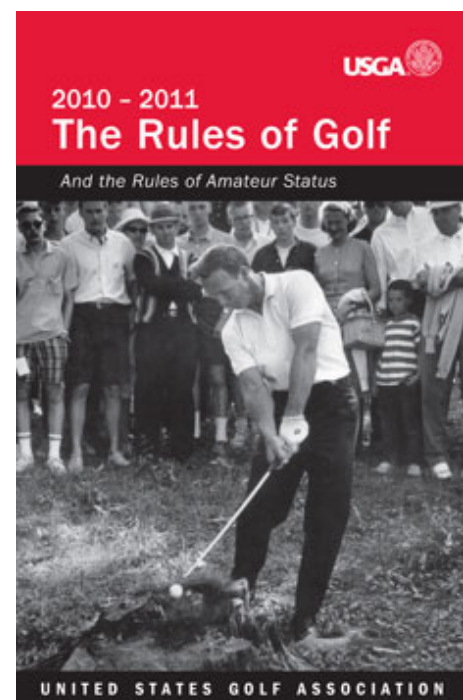

Since you did not replace the ball and instead tapped in from a few inches, you've played from a wrong place. The difference of being replaced would have been a repeat putt of twelve feet versus just a few inches. That results in a serious breach of the Rule and the penalty is Disqualification.

Looks like you just got a lump of coal and some sour milk!

Remember, use the definitions, index or the table of contents to find the correct Rule that applies to the situation and follow the Rules of Golf to help yourself to enjoy the game of golf.
