Woulfe Named Player-of-the-Year

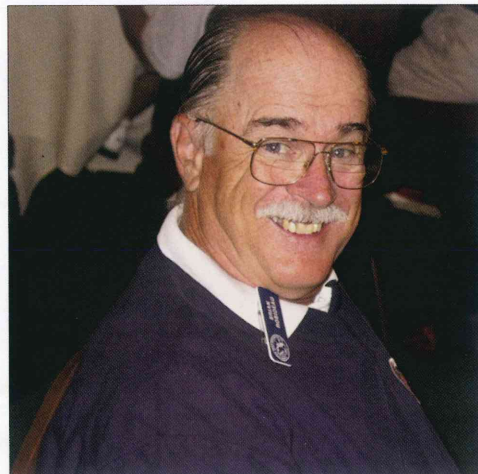

Rick Woulfe accumulated 740 points this year by playing in FSGA and USGA events.

The 2002 Player-of-the-Year award was presented to **Rick Woulfe** of Ft. Lauderdale during the annual dinner at Tampa's Avila Golf & Country Club in November. Player rankings are based on points awarded for specific finishes in designated tournaments throughout the season.

Starting the year with a tie for second at the Mid-Amateur Four-Ball South, Woulfe tied for third at the State Amateur. He placed 6th at the Mid-Senior, finished in the championship flight at the Match Play, qualified for the Mid-Amateur, and represented Florida in the Southeast Challenge Matches this year for the seventh time. Woulfe has won two state championships: the 1998 Mid-Senior Four-Ball and 1995 Four-Ball. His two victories were shared with former President **Frank Strafaci**. He also qualified to play at the U.S. Mid-Amateur at The Stanwich Club in Greenwich, CT. Woulfe won the stroke play championship at the Terra Cotta Invitational this year where he earned medalist honors in 2000 and 2001.

A board member since 1992, Woulfe was Secretary/Treasurer in 1997, Vice-President from 1998-1999, and President from 2000-2001. Currently, he serves on the Executive Board as Immediate Past President. Woulfe is a member of Lago Mar Country Club in Ft. Lauderdale where he has been the club champion 16 times in the last 19 years.

The Georgia team retained their Southeast Challenge Matches title at The Ledges in Huntsville, Alabama. The Matches are held every two years, rotating between Florida, Georgia, and Alabama. They are a Ryder Cup format consisting of four-ball, foursome, and singles matches over two days with one point awarded to the winning team for each match. One-half point is awarded to each side for halved matches.

Georgia raced out to a large lead on Saturday with 14½ points, while Florida had 8, and Alabama earned 4½. Day one consisted of four-ball in the morning and foursome matches in the afternoon. On Sunday during three-ball match play, Georgia scored 12 points, Florida 11½ points, and Alabama 12½ points.

Five of the twelve players on the Florida team were members of the 2000 Southeast Challenge team: **Billy Graham**, Pensacola; **Mark Leetzow**, Sarasota; **Don Lucas**, Valrico; **Doug Ritter**, Davie; and **Rick Woulfe**, Ft. Lauderdale. Also competing this year were **Joe Cristillo**, Crystal River; **Kelly Gosse**, Inverness; **Curt Madson**, Mount Dora; **Paul Melson**, Plantation; **Michael Nealy**, Boca Raton; **David Sutton**, Maitland; and **Aaron Tallman**, Pembroke Pines. Players are chosen based on Southeast Challenge points accumulated throughout the season or by being a captain's choice.

Georgia finished one point ahead of Florida in 2000 at the Idle Hour Club in Macon, GA. The total points for each team were Georgia 25½, Florida 24½; and Alabama 13. Florida has won four Southeast Challenge titles – the last time being in 1998. These matches have been contested since 1989. They have been held eight times now having been suspended in 1992 and 1993. The matches switched to a biennial format in 1996.

Robideau & Forward Recognized at Annual Dinner

Brian Robideau has been the Course Rating Captain for Palm Beach County for the past three years. His section is one of the busiest counties in the state with an average of 20 ratings a year. This spring, he was one of four FSGA course rating captains that attended the USGA East Coast Calibration

Seminar. Competing with 24 other teams from the eastern U.S., Brian and his team received the highest scores for first place. FSGA President Mallory Privett and Robideau also developed a course rating software program that is currently used by several sections in the state. Professionally, Robideau is a mechanical engineer and retired from Pratt & Whitney after 37½ years. He is a member of PGA National Golf Club in Palm Beach Gardens.

Bob Forward started volunteering at tournaments two years ago after scoring a 92 on the USGA Rules Exam. While he has been a PGA Professional for the past seven years, Forward has always been involved with amateur golf. At age 14, he qualified for the New York State Amateur. He

now plays on the Senior Tour of the Southeast PGA Chapter and in the Highlands County Inter-Club where he has been the top money winner for the past nine years. **Sue Forward**, Bob's wife, is a frequent tournament volunteer, as well. Forward is the General Manager and Head Golf Professional at Lake Wales Country Club.

Senior Four-Ball Champions: Darr & Sachs

John Darr and Brian Sachs, both from Gainesville, maintained their first-day lead to win the FSGA Senior Four-Ball Championship at Victoria Hills Golf Club in DeLand. Coming in at 67-68-135, Darr and Sachs never played an event together before this. In fact, they just met the previous Sunday after Darr's original partner—Rick Spears of Stuart—cancelled because of an injury.

Darr and Sachs carded nine birdies and no bogies to finish two strokes ahead of the field. Joseph Cristillo of Crystal River (the 2002 State Senior champion) and Jack Bussinger of Beverly Hills, took second place in the championship flight with 71-66-137. Their 66 was the low score of the event. J. Rowe of St. Augustine and Stephen Beckett of Palatka finished third at 69-70-139.

Andy Higgins and Mike Tucker, both from Ponte Vedra Beach, won the first flight with scores of 73-68-141, while Mike Timbers of Bonita Springs and Rick Bauch of Naples won the second flight at 76-71-147.

Brian Sachs and John Darr win the championship trophy after meeting each other only two days before the event.

Congratulations to the Winner... I Think.

By Jack Pultorak
Director of Rules & Competitions

When is a competition really completed? As soon as they hand the winner that big trophy, right? Well, not exactly... let's take a closer look.

In match play, a match is won by the side that is leading by a number of holes greater than the number of holes remaining. If the stipulated round ends with the sides being all square, the Committee may, for the purpose of settling a tie, extend the stipulated round to as many holes as are required for a match to be won. Also, a player or side may concede a match at any time prior to the conclusion of the match.

In stroke play, the winner is the competitor or side who plays the stipulated round or rounds in the fewest strokes.

It is the responsibility of the Committee to announce the manner, day and time for the decision of a halved match or of a tie in stroke play. A halved match shall not be decided by stroke play. A tie in stroke play shall not be decided by a match. In other words, finish the way you started!

So it's over, right? Not so fast. Let's take a look at Rule 34 and its first section.

In match play, no claim shall be considered after the result of a match has been officially announced, unless the Committee is satisfied that the opponent knew he was giving wrong information. There is no time limit on applying the disqualification penalty for a breach of Rule 1-3 (Agreement to Waive Rules). For instance, in his first round match, a player may have agreed to tap down spike marks with his opponent. The Committee should disqualify the player and award the trophy to the original runner-up. And this may take place years later!

In stroke play, a competition is deemed to have closed when the result has been officially announced, or in stroke play qualifying followed by match play, when the player has teed off in his first match. No penalty shall be rescinded, modified or imposed after the competition has closed.

EXCEPT a penalty of disqualification shall be imposed after the competition has closed if a competitor:

- was in breach of Rule 1-3 (Agreement to Waive Rules)
- returned a score card on which he has recorded a handicap, which, before the competition closed, he knew was higher than that to which he was entitled, and this affected the number of strokes received (Rule 6-2b; Handicap-Stroke Play)
- returned a score for any hole lower than actually taken (Rule 6-6d; Wrong Score for Hole) for any reason other than failure to include a penalty which, before the competition closed, he did not know he had incurred; or
- knew, before the competition closed, that he had been in breach of any other Rule for which the prescribed penalty is disqualification.

So the next time they hand out that big trophy to the winner you can say that he or she is the Champion...for right now!

Rating Captains Meet for Calibration Workshop

Course Rating Captains from the FSGA and FWSGA came together in a “first time” combined meeting and calibration exercise this month at LPGA International in Daytona Beach. A total of 34 captains

from across the state attended the two-day event that included golfing, dinner, and rating selected holes of the course.

The goal of the annual calibration workshop is to bring the captains together to meet each other; share information, ideas, and concerns; and improve consistency among the rating teams.

On day two, participants were divided into teams and rated three holes on the LPGA Practice Academy course. The women rated the gold tees, while the

men rated from the blue tees. The teams brought their results back to the group to compare and discuss. **Mallory Privett**, FSGA President, **Karen Korf**, USGA Course Rating Committee Member, and **Ed Boyer**, an FSGA course rating captain, led this discussion. The raters enjoyed hearing each others philosophies and coming to a consensus on how certain aspects of course rating should be performed.

The next event scheduled for all FSGA and FWSGA course raters is the USGA Course Rating Seminar taking place January 16, 2003, at the Tampa Palms Golf & Country Club.

Randy Walford, Karen Vatland, Sharon Baerenklau, and Taffie Brisley were among the participants at the Course Rating Calibration Workshop.
