32	\$ 960	\$ 480	\$ 288	\$ 192			3	\$ 90	\$ 90		

**Purse** - The prize list above represents the professional payout for each qualifier. The number of pros starting the round is the number of pros that tee off in the qualifier. Amateurs are not eligible and are not considered in determining the payouts. Professionals will be paid, even if they do not qualify for the championship proper.

**Ties** - Prize amounts for tied positions will be combined and divided between the tied players. Any playoffs to determine qualifying and alternate positions will not be used in awarding prize amounts. The minimum payment is \$50.

**Method of Payment** - Checks will be mailed within two weeks following the qualifier to the address provided by each player on their entry form.

**Exempt Players** - A player exempt from local qualifying, at the time of entry, may elect to forego the exemption, pay the qualifying entry fee, and compete in a local qualifier. The election to waive the exemption is irreversible.
