RELEASE DATE: 3/22/93

HEADLINE: SOGGY MIXED TEAM CAPTURED BY RIGGINS, SIEVEKING, AND ADAMS

The Florida State Golf Association (FSGA) kicked off its 1993 season with the Mixed Team Championship at Harbor Hills Golf and Country Club in Lady Lake. Strong gusts and intermittent showers both days did not dampen the spirits of the 116 player field. A Modified Stableford System, players receive points for their score on each hole, was the scoring format for the 36-hole event.

Richard and Susan Riggins weathered and lead the overall championship wire-to-wire. The St. Petersburg couple finished at 13, one point better than first round co-leaders Scott and Sarah Phillips, Miami.

In the Second Flight, Oscar and Turmy Sieveking, Titusville ended at 19 for the tournament. The Sieveking's amassed a final round 12 to overtake first round leaders Ed and Teri Barenborg, Vero Beach by two points.

A low gross combined total division was created for those low handicappers who could not be competitive in the quota point system. The champions in this special division were Anthony and Debbie Adams, Palm Beach Gardens. Anthony and Debbie fired a combined final round 146 total to improve on an opening round 150 total. The Adams' 296 total was one-stroke better than opening round leaders George Roat and Julie Garner.

For further information on the FSGA please contact Peter Ripa at 813/921-5695.
